

# Danish Society of Psychosocial Medicine

**Mini-Symposium  
Wednesday September 19<sup>th</sup>  
13.00 - 15.00**

**The Danish National Institute of Public Health  
Store Mødelokale, 1.1.02, Øster Farimagsgade 5A, 1014 København K**

## **Cancer Survivorship and Cancer Rehabilitation: Revitalizing the Link**

*'It is time to revitalize the link between cancer survivorship and cancer rehabilitation and investigate a new model of comprehensive cancer rehabilitation, involving a multidisciplinary team of providers that aims to optimize the patient's physical, psychologic, vocational, and social functioning given the limits imposed by the chronic or late effects of cancer treatment and other comorbid conditions.'* (Alfano et al., Journal of Clinical Oncology, Vol 30, No 9, 2012: pp 904-906)

**13.00-13.05**
